2. A complete application, along with copies of the plan, applicable reports, drawings, and any additional relevant information must be submitted to the Township’s Community Development Office by the first (1st) business day of each month in which the application will be considered by the Planning Commission. The Township reserves the right to immediately deny an incomplete application and return it to the applicant without the Planning Commission’s and/or Board of Commissioner’s review and action on the application.

3. The application and all materials must be originals. The Township will not accept fax copies of any materials associated with this application.

4. A copy of all plan sheets, pictures, and concept drawings (including the elevations, facade, and building materials) shall be submitted in PDF format at the time of plan submission. All PDF documents may be submitted on a CD or emailed to Community Development Director at jboyer@uatwp.org.
