The Upper Allen Township Board of Commissioners
Passes 2018 Budget
Adds Resources to Public Safety, General Services, and Recreation

The Upper Allen Township 2018 Budget was approved by the Board of Commissioners with a combined Real Estate Tax millage of 2.4 mills. The General Fund Real Estate Tax, Fire Operating Tax and Permanent Improvement Tax remained unchanged at 1.5, 0.3, and 0.5 mills, respectively. The 2018 Budget includes a new 0.1 mill tax for the sole purpose of funding park improvement and maintenance projects. The 2018 millage increase is an additional 10 cents for every $1,000 of assessed property value or $10.00 per year for every $100,000 of assessed value.

Upper Allen Township’s annual budget is organized into separate funds which are designated for specific purposes (Sewer Operations, General Government, Streetlights, etc.) These Funds are individually budgeted annually and are monitored by Township staff and the elected Board of Commissioners. Some funds receive designated sources of money (General Fund, Streetlight Fund, Fire Hydrant Fund, Fire Operating Fund, Sewer Operating Fund, Park Improvement Fund and Permanent Improvement Fund), while the other funds receive transfers from the General Fund to finance their activities.

General Fund revenue is budgeted at $8,578,474, which represents a decrease of $215,545 when compared to the projected 2017 general fund revenues. The bulk of the expected decrease is related to one time insurance refund revenues that were received in fiscal year 2017, but are not expected to occur again in fiscal year 2018. General Fund spending budgeted in 2018 totals $8,442,903, which is an increase of $856,141 when compared to 2017 projected expenditures. A majority of the increase in expenditures is related to personnel costs and debt service expenses. General Fund expenditures include $4,110,706 for police protection, $907,565 for public works, $952,008 for administration, and $648,464 for community development. Additionally, transfers in the amount of $1,208,500 are expected from the General Fund to other funds in 2018.

The 2018 Capital Reserve Fund expenditures include funding for one police car, the replacement of the office phone system, crack seal projects at parking lots in the major parks, installation of a flashing emergency light at English Drive/Gettysburg Pike, and miscellaneous mandated storm water projects. The police vehicle purchase is consistent with the Township’s vehicle replacement plan. The storm water projects to be completed are in accordance with the Township’s five year Storm Water Mitigation Plan as submitted to DEP and the EPA.

Entering its fourth year, the Permanent Improvement Fund has been dedicated to supporting the continuation of the 15 year maintenance and replacement plan for Township
2018 General Fund Revenue

- Real Estate Tax, 34%
- Earned Income Tax, 34%
- Department Revenue, 5%
- Cable Franchise, 5%
- Local Services Tax, 5%
- Other, 5%
- Real Estate Transfer Tax, 8%

2018 General Fund Expenditures

- Police Protection 44%
- Community Development 7%
- Public Works 10%
- Transfers 13%
- Park & Rec 4%
- Debt Service 4%
- Tax Collection 1%
- Administration 9%
- Other 4%
- Vehicle Expenses 2%

Roadways. The Township is budgeted to expend $950,468 in fiscal year 2018 from the Permanent Improvement Fund to support road preservation and replacement projects related to the third year of the plan. The Township has spent $3,856,682 from the Permanent Improvement Fund over the prior three years preserving, resurfacing and rebuilding Township roadways. The Liquid Fuels Tax Fund also provides funding for road improvements and maintenance. Liquid Fuels funding comes from state aid and is based on miles of roads and population. The Township’s 2018 state allocation is expected to be approximately $579,845. State funding has increased over the past few years as a result of additional state funding as required under Act 81. Routine road maintenance expenditures account for $91,700, which includes line painting, traffic signal maintenance, tar and chip projects, crack sealing and guide rail repairs. The Liquid Fuels Fund also supports the snow removal operations of the Township with $95,000 being budgeted for the purchase of salt and cinders for Township roads. Savings over the past few years will allow the Township to spend an additional $500,000 on road resurfacing and preservation projects next year. Counting expenditures in the Liquid Fuels Fund and Permanent Improvement Fund, a total of $1,200,000 is budgeted to be directly expended on road improvements in fiscal year 2018.

There are two funds that are dedicated to improving and maintaining the Upper Allen Township Park System. The Park and Recreation Development Fund receives funding from developer fees and state and local grants. The Park and Recreation Development Fund is funding the construction of phase 1 of the Winding Hills Park East Central Hub Project. Phase 1 of this project will consist of grading and drainage improvements of over 10,000 square feet near the existing comfort station to allow for the placement of a 3,300 square feet inclusive tot lot and 3,200 square feet inclusive youth lot both with poured in place play surfaces, ADA compliant porous paths and native landscaping. The second fund is the Park Improvement Fund, which is funded by a new 0.1 mill real estate tax. The Park Improvement Fund includes funding for the development of a Dog Park at Daybreak Church, the repair of the tennis courts and ballfield fencing at Fisher Park and the replacement of playground equipment at two of the Township neighborhood parks.

The Sewer Operating Fund, with expenditures budgeted at $4,792,754 for 2018, supports the daily operation and maintenance of the Township’s sewer conveyance and treatment systems. The budgeted amount includes $1,591,878 in debt service payments for bonds issued for sewer system improvements and an $822,177 payment to the Lower Allen Township Authority for the rental costs associated with conveyance and treatment of Township waste at the Lower Allen Township Authority Wastewater Treatment Plant. A total of $250,000 has been budgeted for professional services, repairs and equipment related to the Township’s infiltration & inflow (I&I) program. The I&I program includes investigation and rehabilitation of the Township’s sewer lines. I&I investments result in significant cost savings for the Township as there is less wastewater requiring treatment. This decrease is due to less groundwater and surface water entering the Township’s sanitary sewer collection system.

The Township is in the sixth year of a Fire Operating Fund, which is supported by a 0.3 mill fire property tax. The fund is projected to generate revenue of $588,626.
2018 BUDGET CONTINUED

for general operational items for the volunteer fire company, such as fuel and insurance expenses as well as contributions to capital equipment expenses, debt service and savings accounts. Next year the Fire Operating Fund will transfer $890,000 to the Fire Escrow Fund. The Fire Escrow Fund, which is used to purchase fire fighting vehicles, will expend $35,000 to replace the Deputy Chief’s vehicle. In addition to general operation and the purchase of a vehicle in 2018, the Township, in partnership with the Fire Department, will begin the renovation of the fire house using the proceeds from the 2017 General Obligation Bond. The renovation will improve many aspects of the current building allowing the volunteers of the Fire Department to continue to serve the residents of Upper Allen Township for many years into the future. It is important to note that the fire tax does not completely fund the Fire Department, consequently the volunteer fire personnel must continue to fundraise and seek donations to continue normal operations.

If you would like to review the entire 2018 Upper Allen Township Budget, please visit the Township’s website at www.uatwp.org.
**BRANCH PICKUP**

Annual branch pickup begins on April 9th and will continue through May 18th. Please note there is only one branch pickup per year. The guidelines are as follows:

- Please have all branches at the curb by 7:00 a.m. on Monday morning in your zone. We cannot guarantee a specific day that we will pick up branches in any given zone.
- The longer the branch, the better it is for workers to handle and place into the chipper.
- Do not make your branch pile higher than three (3) feet or place branches in a pile wider than ten (10) feet. **The limit is one (1) pile per house.**
- We will not drive onto private roads, driveways or yards due to liability issues.

**We will not pick up the following items:**

- Branches that are obstructed by parked vehicles or other items.
- Branches that are on trailers or truck beds.
- Small piles of branches, hedge trimmings, vines, long grasses, yard debris, poison ivy or oak, plants, etc. These items should be put in your garbage container and/or garbage bag and placed out for your weekly trash pickup (branches should be cut to no longer than 6-foot lengths and tied into 40-pound bundles). Each bundle counts towards weekly trash can limit, but can be placed out every week.
- Yard or tree debris that appears it was raked. If items were raked up, there is a good possibility that stones are included in the pile. This will damage the chipping equipment and produce potentially dangerous projectiles for the crew members. Please bag all of this type of debris and set it out with your trash.
- Vines (they become tangled in the chipper).
- Fence posts or building materials.
- Rotten or dirty wood.
- Thorns of any type.
- Wood cut into firewood lengths (it jams the chipper).
- Branches with any metal such as wire, nails, etc. attached.
- Branches that do not have all cut ends facing the road and that are not stacked neatly (do not put out a pile of tangled branches facing all different ways).
- Contractors’ branch piles – **this service is for residents only!**
- Whole trees or tree trimmings, unless they are 4” in diameter or less. Homeowners are responsible for disposing of anything larger; i.e., by contracting with a tree removal service or some other means.
- Roots and stumps over 50 pounds. Roots and stumps 50 pounds or under will be taken but must be cut off and placed in a separate pile.
- Garbage bags and trashcans full of debris or branches. If branches are tied into bundles or placed in garbage bags or trashcans, they should be put out for your weekly trash, not left out for branch pickup.
- Community piles – if it appears that the branches did not come from the residence they are piled in front of, they will not be picked up. For example, your neighbors, friends or relatives cannot bring their tree limbs to your house for pickup. **Please do not start a community pile for all the neighbors to add to – we will not pick these up! No exceptions!**

In accordance with Chapter 233-20 of the Township code, "The placement of brush and yard waste to be collected by Township employees as part of the Township's Branch recycling program or by another person on Township streets for a period of more than seven days shall be prohibited."
BRANCH PICKUP SCHEDULE

The breakouts of the Township’s zones are as follows:

Zone 1: Gettysburg Pike between Township line near Rosegarden and Fisher Road, W. Lisburn Road between Rt. 15 and Monroe Township line, Grantham Road between Gettysburg Pike and Monroe Township line; Rosegarden; Ashcombe Farms; Ashcombe Farms North; Creekstone; Center Square; Center Square Manor; Country Square; Canterbury Estates (Collection will begin on April 9 thru April 13)

Zone 2: S. Market Street between Rt. 15 and Simpson Park, W. Lisburn Road between Rt. 15 and S. Market Street; Grantham Road; Mill Road; Grantham Area (Woodbine Street, Laurel Street, Cedar Street, High Street, Yorkview Drive, Low Street); Edgewood (Sholly Drive, Woodside Drive); Spacious Acres; Park Ridge; Bumble Bee Hollow Road; Bumble Bee Hollow Development; Bowman’s Village; Bowman’s Hill; Bowmansdale between S. Market St. and Bumble Bee Hollow Road (Collection will begin on April 16 thru April 20)

Zone 3: Williams Grove Road between Mech. line and PA Turnpike; Peachtree Village; Trindle Station; Diehl Road; Old Grove Road; Sinclair Road; Miller’s Crest; Miller’s Acres; S. York Street between Mech. line and PA Turnpike; S. Market Street between Mech. line and PA Turnpike; Sunnyland; Webercroft; Georgetown; Allendale Road; Stonehedge; Meadowood; Ridge Court; Geneva Drive; Nanroc Drive; Cedar Ridge; Ariel Court; Deerhaven; Wilson Lane; Heritage Acres; Fair Oaks (Collection will begin on April 23 thru April 27)

Zone 4: E. Lisburn Road between Mt. Allen underpass and Lower Allen Township line; Hertzler Road from the railroad underpass to Arcona Road; Klinedinst Road; E. Winding Hill Road between Arcona Road and railroad tracks; Arcona Road; Arcona Estates; Raven Hills; Apache Trail; Pima Circle; Ford Farm; Allen Glen; McCormick Road; Bishop Road (Collection will begin on April 30 thru May 4)

Zone 5: Fisher Road; Southview Drive cul-de-sac off of Fisher Road; Gettysburg Pike between Giant Foods and Fisher Road; Country Estates; Williams Grove Road between Fisher Road and PA Turnpike; W. Winding Hill Road; E. Winding Hill Road, between S. Market Street and Gettysburg Pike; S. York Street between PA Turnpike and Gettysburg Pike; Shepherdstown; Meadowview Estates; Arborfield; S. Market Street between Rt. 15 and PA Turnpike; Lindenwood; Arlington Hills; Gray Drive; Whitebrier (Wineberry Drive, Dewberry Court); Winding Hill Heights; Cumberland Parkway; Old Schoolhouse Lane; Reynolds Street (Collection will begin on May 7 thru May 11)

Zone 6: Winding Hills Development; Hertzler Road from Mt. Allen Drive to the railroad underpass; Allenview; Bowmansdale east of S. Market Street; E. Lisburn Road between S. Market Street and Mt. Allen underpass; Witney Ridge; Spring Run Manor; Spring Run Acres; Mt. Allen Heights; Reservoir Hill; Kimberly Meadows; Park Hills Drive Area; Wayne Drive; Breezewood Hill (Midland Road, Breezewood Drive); Sleepy Hollow Farms (Lavina Drive, Hilda Court); Flintlock Ridge (Collection will begin on May 14 thru May 18)
The Township does not fix damaged mailboxes or posts. If a mailbox is damaged during snow plowing operations, the property owner will be reimbursed for the cost of a new cedar post and standard metal mailbox up to a maximum of $52.00. The Township will not pay for labor to install the new post and/or mailbox. The Township will need a copy of the receipt and a picture of the damaged mailbox within 2 weeks from the time the mailbox was damaged before payment will be made.

If a mailbox is damaged, place a bucket or container out marked U.S. Mail in order to continue to receive mail.

Plowing will begin when the snow is three inches deep. Our top priorities are the main roads, including the Fire House parking lot, Police Station parking lot, Municipal Building parking lot, Gettysburg Pike to Route 114, West Winding Hill Road, East Winding Hill Road, Allendale Road, Wilson Lane, Grantham Road, Mt. Allen Drive, Kim Acres Drive, Bumble Bee Hollow Road, Mill Road, Hertzler Road, Fisher Road, Stumpstown Road, Arcona Road, McCormick Road, Sinclair Road and Geneva Drive.

Residents can help by not travelling, unless necessary, during these times; and don’t shovel or blow snow onto plowed or treated streets (the Township has an ordinance that prohibits this, under penalty of law).
SIDEWALK SNOW REMOVAL PROCEDURES

Snow season is upon us! The Township would like to remind residents that private streets, fire hydrants, sidewalks and driveways are required to be cleared of snow and ice within 24 hours following a storm event. Chapter 205 of the Township Code regulates snow and ice removal; the regulations are enforced any time snow or ice covers the ground.

Property Owners’ Responsibilities for Clearing Sidewalks

- **When to clear sidewalks**: It is the responsibility of property owners to remove snow, slush, and ice along the full width of the sidewalks and across driveways within 24 hours after the snow or slush has ceased to fall. Please exercise caution and care when shoveling, especially during extreme cold!

- **What to clear**: Owners of any home and/or building abutting a public or private way are responsible for ensuring that any fire hydrants, sidewalk and accessible ramps in front of their property, and extending to the corner if on a corner lot, are clear of ice and snow, in accordance with Sections 205-2 and 3 of the Township Code of Ordinances. Snow, slush and ice shall be removed with the following conditions:

  * Fire hydrants shall not be covered.

  * If the snow, slush or ice cannot be removed within 24 hours due to hardening, property owners must apply an abrasive (such as sand or salt) to allow for safe travel.

  * No snow, slush, ice or a combination thereof shall stem from a property or be deposited or pushed from a property onto a street or right-of-way at any location.

  * No person shall damage any Township property while removing snow, ice or slush.

For more information about property owner responsibilities when clearing private streets, fire hydrants, sidewalks and driveways, visit our website at [www.uatwp.org](http://www.uatwp.org) and view Chapter 205 in the Township Code section.
TOWNSHIP MEETINGS

January

The offices will be closed on February 19, 2018 for President’s Day and March 30, 2018 for the Easter Holiday.

Upper Allen Township
Board of Commissioners

Ken Martin, President (seated - right)
Paul Rigney, Vice President (seated – left)
Rick Castranio (standing – left)
Ginny Anderson (standing – middle)
Jim Cochran (standing – right)

Friends of the Joseph T. Simpson Public Library

Dine out at Hoss’s Steak and Seafood in Mechanicsburg on Thursday, February 8th, from 11:00 a.m. until 9:00 p.m. and up to 25% of the cost of your meal will go directly to the Friends of the Joseph T. Simpson Public Library! Download the Dine Out Flyer at simpsonlibrary.org.

There will be a Book Sale at the Book Sale Center, 114 N. York St., Mechanicsburg, on Friday, February 9th from 6:00 until 8:00 p.m. for Friends members only. Memberships can be purchased at the door. The public sale is on Saturday, February 10th, from 9:00 a.m. until 2:00 p.m. and the $10 per Bag Sale is on Sunday, February 11th from 1:00 to 3:00 p.m.
The Township is currently looking for volunteers to fill one vacancy on the Park and Recreation Board and one primary and two alternate positions on the Civil Service Commission.

The Park and Recreation Board consists of 7 members with staggered 5-year terms. The Board reviews proposed park improvements and recommends expenditure of funds that support the recreation needs outlined in the 2016 Parks, Recreation and Open Space Plan. The Board meets the fourth Wednesday of the month in the Township meeting room starting at 6:30 p.m.

The Civil Service Commission consists of 3 primary members and 2 alternates that serve 6-year staggered terms. The Commission’s duties include certifying the list of eligible candidates to fill vacancies that occur as a result of retirement, resignation, disability, or death in the Police Department. The Commission meets on an as-needed basis.

If you are interested in filling one of the vacancies, please complete and submit the Volunteer Form located at the bottom of the Home Page on the Township website at www.uatwp.org.

If you are interested in serving on our Zoning Hearing Board (5-year term), Historical Architectural Review Board (5-year term), Sewer Advisory Board (5-year term) or Planning Commission (4-year term), please complete and submit the Volunteer Form and we will keep your application on file in case vacancies occur on those Boards and Commissions.

The Upper Allen Township Police will be hosting their annual Citizen Police Academy in 2018. Participants will meet Tuesday evenings for 11 consecutive weeks starting February 6, 2018. Applicants must be 18 years of age or older and a resident of Upper Allen Township. Participants will have the opportunity to interact with our personnel, gain a better understanding of what a police officer does and why, along with an overview of the entire criminal justice system of this Commonwealth. Please see the Upper Allen Police website www.upperallenpolice.com or stop in the Police Department Office during normal business hours for more information.

The Upper Allen Woman’s Club GFWC will host their 18th Annual Fashion Show Luncheon “A Fashion Affair” on Sunday, April 22, 2018, at 12:30 p.m., at the West Shore Country Club, 100 Brentwater Road, Camp Hill. Music by Seasons and the silent auction bidding begin at 12:30 p.m. Luncheon will be served at 1:15 p.m. followed by a fashion show. For ticket information, please contact BPRigney2@gmail.com. Proceeds benefit community organizations.
